

Optional Lessons for 4/14-4/17

Optional Social Studies for 4/17/2020

- 1. Students will need paper and pencil for this activity.*
- 2. View this [video](#) reviewing the regions of Virginia from Virginia Studies Weekly. Talk to a parent before viewing this video on YouTube.*
- 3. View this [video](#) for a brief review activity and introduction to the task for today. Contact your classroom teacher for the password.*
- 4. Create a post card including a picture of a region of Virginia and a letter to your teacher on the other side. Submit using Teams or email it to your teacher.*

Optional Math for 4/16/2020

- 1. Students will need paper and pencil or a whiteboard and marker for this lesson.*
- 2. View the [video](#). Contact your classroom teacher for the password.*
- 3. Play one or both of the games. You can also get more information about the game using this [link](#). The site will provide an example of the game. This [link](#) will take students to a game that can be played independently to review factors and multiples.*
- 4. Complete Math IXL A.6 for place value review or D.1, D.2, and D.7 for multiplication and factor review.*
- 5. If students play one of the math games, we would love to see a picture. Pictures can be submitted on Teams, Tweeted (#PBJays) or emailed.*

Optional Science for 4/15/2020

- 1. View the "Scientific Method" BrainPOP video, accessed through Clever.*
- 2. Complete the graphic organizer found to the right of the BrainPOP video and submit a scan, photograph or screenshot on Teams.*
- 3. View this [video](#). A password is needed to access the video. Contact your classroom teacher for assistance.*
- 4. While watching the video, students can record their work on this [recording sheet](#).*

Optional Language Arts for 4/14/2020

Book Talks PowerPoint

A password is needed to access the presentation. Contact your classroom teacher for assistance. Students can submit completed book talks using Teams.
