Students Participating in VAAP-Language

- Read and/or listen to "[Blue on Earth](#)" on readworks.org
- With a parent, sibling or friend, check out the Vocabulary (**ocean**) and Question Sets tabs. Talk about last week's vocabulary (**water, ocean, earth**) as well.

Students Participating in SOL-Language

- Read and/or listen to "The History of Planet Earth" on readworks.org
[The History of Planet Earth, Seventh Grade Reading Passage](#)
- Vocabulary: **detect, discern, influence**. Read the definitions and try to make up a sentence using each word.
- Question Set: Choose the correct answer for questions 1-7. Discuss answers for questions 8-10 with a parent, sibling or friend.

Articulation/Fluency Students

- Read "Blue on Earth" or "The History of Planet Earth" out loud. **Articulation:** practice saying each vocabulary word 10 times. **Fluency:** Read and answer each question using a strategy that helps you (stop-restart, light contact, pausing, mental rehearsal)
